**IOF-WV, Innovation and
Entrepreneurship Day at
the State Capitol**

Monday, March 11, 2013

and

**A TechConnect WV
Forum at 1:30 Monday
afternoon**

West Virginia Coalition for Technology Based Economic Development

Why Participate?

IOF-WV and TechConnectWV are working together to advance manufacturing, innovation, and entrepreneurship in the State. Come and join WV companies, organizations, groups and agencies that are building West Virginia's and the region's economy of the future. Enjoy a showcase of existing companies, agencies, entrepreneurs, and startup firms that are leading the way. The goal is to talk with legislators and colleagues about ideas and initiatives for jobs, increased revenue, and economic development.

Exhibitors

Showcase West Virginia's innovative businesses to legislators, academia, and government officials. Exhibit space is limited this year so register early.

Attendees

- You don't have to be an exhibitor to attend. Come and network with your fellow West Virginia businesses, visit the exhibitors, meet with legislators and other government officials, and university researchers.
- Want to have your organization listed as a participating group? If so, please let us know ASAP and we'll be sure to include you in our roundup of supporters of IOF-WV, Innovation & Entrepreneurship Day
- Join us for lunch in the Cultural Center and the Presentations of the Governor's Award for Excellent in Industrial Energy Efficiency and the Governor's Award for Leadership in Advanced Green Manufacturing.

Agenda

Sunday, March 10th

4:30-6:30 pm **Limited set up available—security will not be available to lower the barriers to allow you to drive onto the Capitol Grounds**

Monday, March 11th
